Health Care Agent – Only if the patient lacks capacity to sign for him/herself

Any disclosure of substance use disorder patient records is governed by Federal law (see 42 CFR Part 2), and all disclosures of such records shall be accompanied by the following written statement:

This information has been disclosed to you from records protected by Federal confidentiality rules (42 CFR Part 2). The Federal rules prohibit you from making further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any substance use disorder patient.
